

star **performance team**

CS Star Performance Team is a non-competitive program at Center Stage for children who LOVE to perform! It's a tap and/or jazz choreography class that will prepare kids to be Center Stage ambassadors! In addition to the spring recital, Star Performance Team will be our "go-to" group to perform at special events in the community. This program is the perfect fit for dancers looking for a fun challenge without jumping into the world of competitive dance. Performance Team will provide numerous opportunities to perform without the time or financial commitment of competitions.

Placement in the program is by audition. The directors are looking for a blend of personality, good listeners, a love for dance and potential for development as a dancer. Depending on interest in the program, the group may be divided by age.

SUMMER COMMITMENT

All selected Star Performance Team Members must take the Summer Choreography Camp. This will prepare them to perform at our early fall events!
